CLASS SCHEDULE

TIME	WEDNESDAY (June 6)	THURSDAY (June 7)
Morning	THE LAW: CLEAN WATER ACT, NPDES	CONSTRUCTION PERMITS, NATIONAL STANDARDS, POST CONSTRUCTION AND STABILIZATION
Afternoon	INDUSTRY AND MUNICIPAL PERMITS	INSPECTOR PROTOCOLS

Certified Stormwater Inspector Class, designed for Municipal Inspectors is a two-day course offering a 5 year Inspector certification for only \$799 plus \$25 registration fee.

This course was written and designed by a co-developer of the National Pollutant Discharge Elimination System (NPDES) program, while serving at EPA in Washington, DC, and focuses on compliance as the key to restoring and maintaining the waters of America. Know your role and your authority as a municipal stormwater professional. Learn the steps necessary to remain in permit compliance, and understand the six actions that are key to a successful regulatory authority audit.

Important Information

- Instructors are qualified through enforcement backgrounds at the Federal and/or State Level
 - Candidates will be tested by both written and oral examinations
